

Come join AeroTect and **3M** for an exciting, hands-on event.

Car Care Market Center University

- Learn about new and existing products
- Participate in hands on demos with our various products including software.
- Learn tips and techniques to increase your bottom line
- New content includes: Strategy for working with dealerships and Using the internet for business promotion.

**Come visit our newly remodeled training center
for this FREE event!**

Here is your chance to learn new trade skills, and mingle with your peers in a fun environment. Come get hands on experience with the products we have to offer!
