- This discontinuation is effective immediately
- 3M will not accept any new orders after September 10th, 2021
- 3M will fill any orders which were placed prior to September 10th, 2021

Additionally, the remaining 3M Wrap Film Series 1080 will transition to 3M Wrap Film Series 2080 in 2023, not in 2022 as previously scheduled. Our goal is to continue to provide a comprehensive color offering, while focusing on high quality and service.

Thank you for your continued interest in 3M vehicle wrap film products. If you have any questions or need assistance, please contact your 3M Sales Representative.

Regards,
